ABOUT

Carter's vast experience as outside counsel and more than 20 years in-house counsel allows him to uniquely understand not only what clients want in their legal representation, but also what they need. Carter's in-depth comprehension of the health insurance industry, underlying business objectives of both carriers and regulators, passion for addressing client needs, and a commitment to always acting with integrity have served him well in his over 30 years of practice.

PROFESSIONAL BACKGROUND

- Individual, Small Group, and Large Group Health Insurance contracting, including insured, self-insured, MEWA and hybrid arrangements, and jointly administered arrangements
- Provider, Vendor, Ancillary contracting, including financing, administration, and negotiation
- Health Insurance product design and development
- Contract (all types) automation and efficiency
- Health Insurance oversight and regulation
- Tele-Health design and implementation
- Claims and Customer Service Operations (including on-/off-shoring)
- Regulatory Audits, Targeted Audits, and Regulatory Investigations
- Prompt Payment of Claims Compliance
- Member/Provider Grievances and Appeals
- Claims Systems Migrations – planning and implementation
- Claims Management and Reimbursement

OUTSIDE OF LAW

- Carter has worked and volunteered as a church organist and musician for over 35 years. He enjoys encouraging congregants to sing and otherwise actively participate in worship.
- He also enjoys home repairs, woodworking, and cooking. Over the past 15 years he has restored a 105 year home in Manchester, NH and recently won a preservation award for his efforts.
