

MARK STALL

MANAGING PARTNER

ABOUT

Mark Stall's vast experience as outside counsel and in-house counsel allows him to uniquely understand not only what clients want in their legal representation, but also anticipate their needs. Mark's in-depth comprehension of underlying business objectives, a passion for addressing client needs, and a commitment to always acting with integrity have served him well in his over 30 years of practice.

PROFESSIONAL BACKGROUND

- Organized company's first legal department handling both legal and corporate secretary functions, including structuring and negotiating domestic and international contracts, employment and litigation matters.
- Collaborated with the company's product development and engineering teams to develop a comprehensive intellectual property program.
- Developed company's first International Code of Ethics and compliance program including implementation of an employee helpline and training employees across company's global operations.
- Developed and implemented multiple information technology compliance programs in 12 languages for rollout across 60,000 users around the world.
- Served as General Counsel and sole legal resource for companies with annual revenues up to \$8B and 8000 employees.
- Developed equipment and product master distributor programs across multiple industries.
- Advised clients on and negotiated favorable over \$10MM of alleged preference claims under US bankruptcy laws.
- Negotiated a wide range of technology-related agreements, including technology licensing, software licenses and SaaS agreements
- Represented buyers and sellers in structuring, negotiation and closing over 40 mergers, acquisitions and divestitures.
- Negotiated over 100 real estate leases for offices, stores and warehouses across North America.
- Handled antitrust, acquisitions, commercial, employment and real estate matters for Mexican and Canadian subsidiaries in multiple industries.
- Represented multiple companies in a wide range of employment law matters, including employee discipline, employment policies, non-competes, employment discrimination, employee benefits, and investigations.
